

Big savings* on telecommunications for Anglican Church organisations

Anglican Church organisations, **who sign an authorisation form**, are eligible for exclusive rates providing significant savings.

The Anglican Church has negotiated, in conjunction with Church Resources, a new agreement with Telstra bringing you further reductions on local, long distance, fixed to mobile and mobile call costs.

Receive the following benefits and savings under the **2 year fixed voice and mobile contract**:

Single Bill Save time and money with one bill and one payment, by placing all fixed line voice and mobile services onto one account (If requested).

Reduced line rental Exclusive - not available from other providers.

Free Installation on ISDN 10, 20 and 30 services. 50% discount on installation of ISDN 2 services.

Free directory assistance for fixed line callers When you call 1223.

Per second billing on fixed to mobile calls No call connection or minimum call fees.

Per second billing on long distance calls No call connection or minimum call fees.

Per second billing on mobile calls Only pay for the time you use.

Group Saver Mobile Plan Make extra savings when you have two or more mobile services on the same account - if some services do not use all their 'included voice calls' in a month, the balance is shared with other mobiles on the account.

New intra account mobile to mobile call charge now only 10 cents per 10 minute block.

Free mobile handset when you join the church plan and have a minimum monthly call fee of \$40.

Dedicated service team to provide outstanding after sales service and support.

Discounts on digital data service, megalinks, IP WAN and Wideband IP. Data & customer service solutions for your organisation.

About Church Resources

Church Resources is a charitable trust which facilitates collaboration, partnerships and communication to leverage the buying power, expertise and knowledge of church and not-for-profit organisations. Our mission is to help our members achieve efficiencies and improve quality of service and to provide a national Church telecommunications infrastructure. In providing these services, we partner with some of Australia's leading organisations. Our members come from both metropolitan and regional centres and a wide range of church and not-for-profit groups including the Anglican Church.
