

XVIII. RULE UNDER SECTION 63 OF THE CONSTITUTION

A decision, determination or opinion of the Appellate Tribunal shall be published by a copy signed by the President or the Deputy President being transmitted to the Primate either in hard copy or electronically. The decision, determination or opinion shall operate from the date of posting unless the Tribunal otherwise determines.

The President or Deputy President shall also, preferably on the same day he or she transmits the decision, determination or opinion to the Primate, send to the General Secretary a copy of the same.

The General Secretary shall ensure that a copy is duly filed in the Primate's Registry and shall also transmit a copy to each Diocesan Bishop to the applicants and any other synod, person, group of persons or association given leave by the Appellate Tribunal to be a party and any other person to whom the Primate directs that a copy be sent.
